Resource Description

Exposure : ☒

weather or climate related pathway by which climate change affects health

Extreme Weather Event, Temperature

Temperature: Fluctuations

Geographic Feature: ☒

resource focuses on specific type of geography

None or Unspecified

Geographic Location: ☒

resource focuses on specific location

Global or Unspecified

Health Co-Benefit/Co-Harm (Family Planning/Population Reduction): ☒

specification of beneficial or harmful impacts to health resulting from efforts to promote family planning or reduce population growth as a climate change adaptation or mitigation measure

A focus of content

Health Impact: ☒

specification of health effect or disease related to climate change exposure

General Health Impact

Medical Community Engagement: ☒

resource focus on how the medical community discusses or acts to address health impacts of climate change

A focus of content

Resource Type: ☒

Climate Change and Human Health Literature Portal

format or standard characteristic of resource

Policy/Opinion, Policy/Opinion

Timescale: 

time period studied

Time Scale Unspecified
